MOQ	250 units
TAGLINE	Proudly Sustainable. Made in Britain.
LISTING DESCRIPTION	Create an eco-message as unique as your brand.
PRODUCT DETAILS	Discover our Custom Seed Bombs, a unique promotional item where your logo or design is embossed directly onto our standard shaped base. This method transforms a simple seed bomb into a bespoke branding opportunity, allowing your company's identity to literally take root and flourish. Ideal for businesses looking to make a sustainable statement, these seed bombs are packed with 16 varieties of UK-native wildflowers, ready to bloom into a vibrant display. Each bomb is complemented with a full-colour label, underscoring your commitment to eco-friendliness and plastic-free initiatives. Made in the UK, they offer a meaningful way to connect with your audience, as recipients plant and grow your logo in their own spaces. Matchbox Measurements: 85 X 55 X 22mm Branding Area: 75 x 80mm
